## About

This user guide is intended for users who have view access to My Research Funds (MRF) and the University of Toronto Research Account (UTRAC). Users include Researchers (Principal Investigators), Business Officers, Project Managers, Unit Heads (and Unit Head Alternate Approvers), and Divisional Research Services Officers. For a full list of roles and instructions on how to obtain access to MRF, see [Appendix A](#).

## Acronyms

Acronym	Full Name
Co-I	Co-Investigator
FIS	Financial Information System
HRIS	Human Resources Information System
MRF	My Research Funds
PI	Principal Investigator
RIS	Research Information System
U of T	University of Toronto
UTRAC	University of Toronto Research Account
VPRI	Division of the Vice-President, Research & Innovation

## What is My Research Funds?

My Research Funds (MRF) is an online interface to U of T's Research Information System (RIS) and Financial Information System (FIS) and provides researchers, project managers, divisional administrators, and VPRI administrators with role-based access to key research funding information, including terms and conditions for awarded applications, financial account details, and funding history.

## What is University of Toronto Research Account?

University of Toronto Research Account (UTRAC) is the successor to the Funded Research Digest (FRd). UTRAC is a record of the terms and conditions of a research award and is available to researchers and their project managers, business officers, and VPRI administrators. UTRAC provides information about budget installments, eligible and ineligible expenses, project and financial deliverables, and other terms and conditions related to the research award.

## Technical Support

For technical questions and troubleshooting, contact the Help Desk. The Help Desk will be staffed from 9:00 a.m. to 5:00 p.m. Monday to Friday with extended hours prior to major deadlines.

**Phone:** 416 946-5000

**Email:** [raise@utoronto.ca](mailto:raise@utoronto.ca)

## Research Award Support

For inquiries related to your funded research award, including questions about the content of the UTRAC, contact with **Research Officer** designated on your UTRAC by e-mail, phone, or by using the built-in [contact form](#).

## Browsers Supported

- Chrome
- Microsoft Edge
- Firefox
- Safari

**Pop-ups must be enabled for the site.**

## System Access

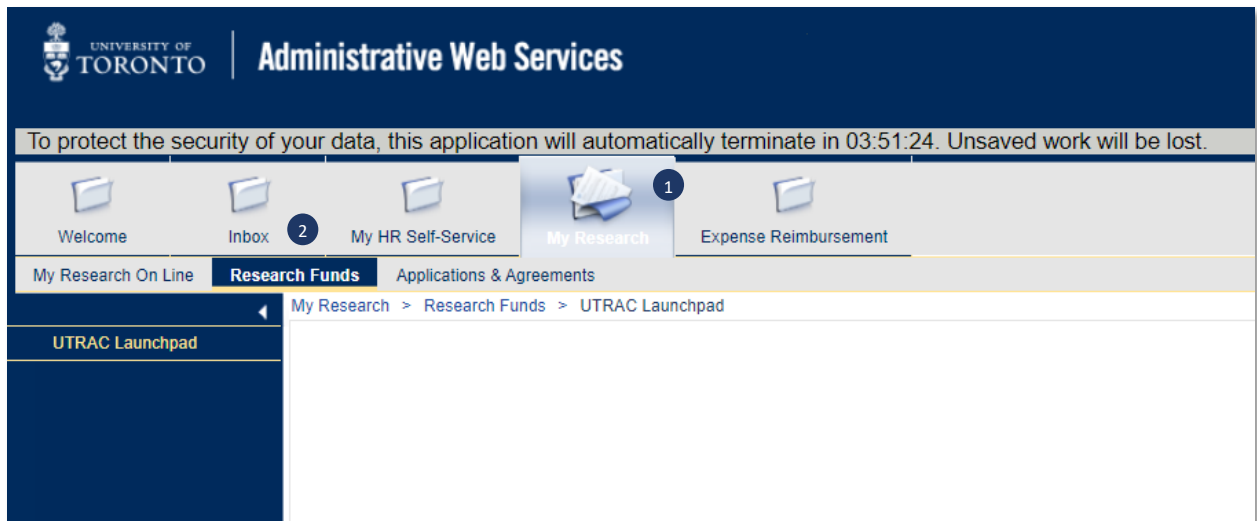

**Important Note:** Depending on your role, you may or may not have been assigned access to different My Research systems. For further details on how to obtain access, see [Appendix A](#).

My Research Funds (MRF) can be accessed from the [My Research \(MR\) platform](#). Your UTORid and Password are used to access MR.

MRF is available from 4:00 a.m. to 1:00 a.m.

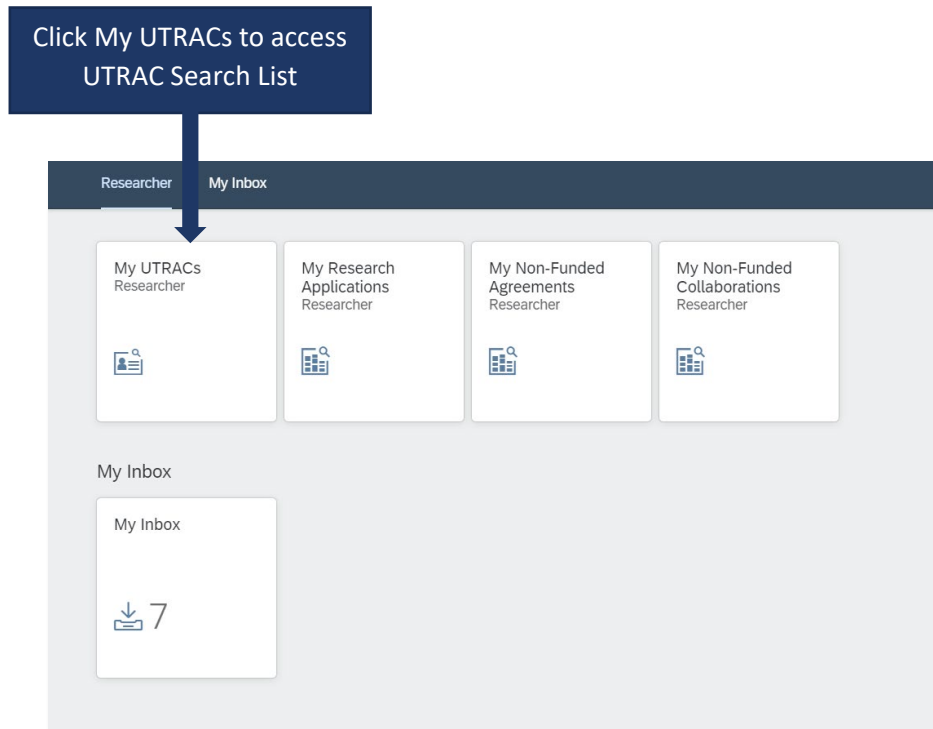

Standard UFORMFA rules apply.

To access UTRAC, in the upper navigation menu click on the **My Research** tile, then the **Research Funds** menu option.

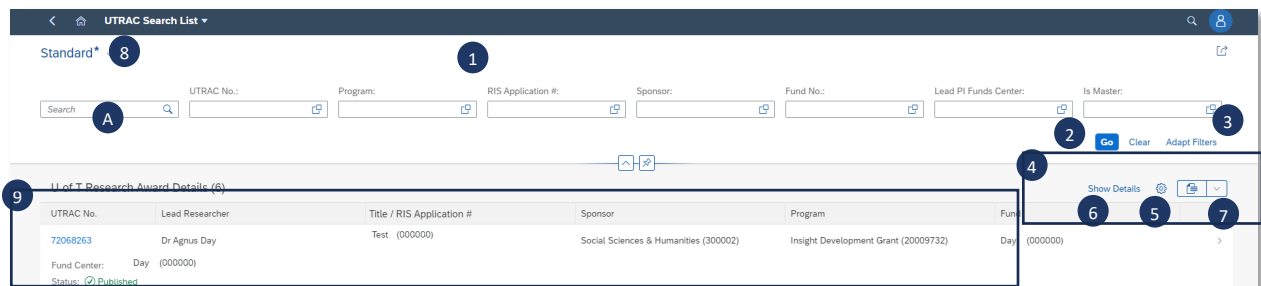

This will display a Home page that contains tiles that open different reports and tools in RIS, FIS, and HRIS. The tiles that are displayed in your view can vary depending on your role.

To view a list of UTRACs, click on the tile labelled **My UTRACs** (if you are a Researcher) or **My Unit's UTRACs** (if you are a Departmental or Divisional Administrator, Business Officer, or Unit Head).

## UTRAC Search List

Users can access a list of UTRACs from the UTRAC Search List.

### 1 Filter Header

The following search and filter fields will be displayed by default in the filter header. Additional filters can be added or existing filters hidden using the **Adapt filters** button (see #3).

- **Search** (marked A on image): This is a general search field that will perform a keyword search on **all** fields.
- **UTRAC No.:** Number assigned on creation of UTRAC.
- **Program:** The program number under which the Sponsor will fund the research. To search by program name, click the  (double box) and use the program name field.
- **RIS Application #:** Unique identifier to the application assigned in RIS.

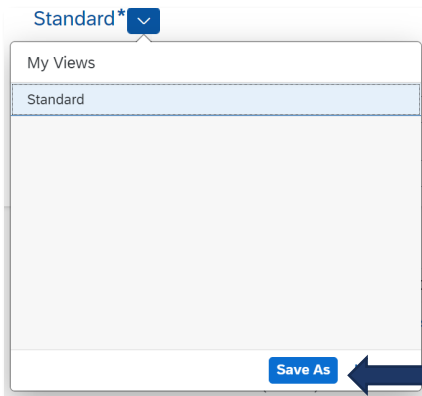

- **Sponsor:** The sponsor number for the agency, organization, or company that is funding the research. To search by sponsor name, click the  (double box) and use the sponsor name field.
- **Fund No:** Fund number assigned in FIS.
- **Lead PI Funds Center:** Funds Center corresponding to the primary researcher.
- **Is Master:**
  - i. Select Yes for UTRACs where the *Sponsor* is providing funding for multiple projects under a master agreement.
  - ii. Select No for UTRACs that are not a master agreement.

To set the filter parameters for each field click the advanced search  (double box) in the search field. For details on using advanced search, see the [Advanced Search](#) section.

- 2 **Go button:** After entering search terms, click the Go button.
- 3 **Adapt filters:** Add additional filters or remove listed filters.

4 **Research Award Details Table – Options**

- 5 **Settings:** Add additional columns or remove listed columns. Users can also shuffle the order of the columns using the arrow buttons 
- 6 **Show/Hide Details:** Show/Hide additional filters selected from the Settings button.
- 7 **Export:** Export UTRAC search results as an Excel file.
- 8 **My Views:** Users can personalize their own search filters and save them as a default view. To add/remove search filters, see # 3.

- **Contact Researcher:** Contact the primary researcher using the built-in contact form.
- **Display Classic FReD:** Displays UTRAC in classic (legacy) FReD format. Note that linked protocols & permits, linked UTRACs, detailed contact information, document attachments, and some other functions will not be displayed in Classic FReD.

2 **Version:** Displays the current UTRAC version you are viewing. Versions labeled “active!” are the most recent versions.

3 **Change version:** Jump to a different UTRAC version (if there are multiple versions).

4 **Contact Us:** Shortcut list of available contacts that you can connect with through the built-in contact forms. For details on how to use the contact forms, see [Contact Forms](#) section.

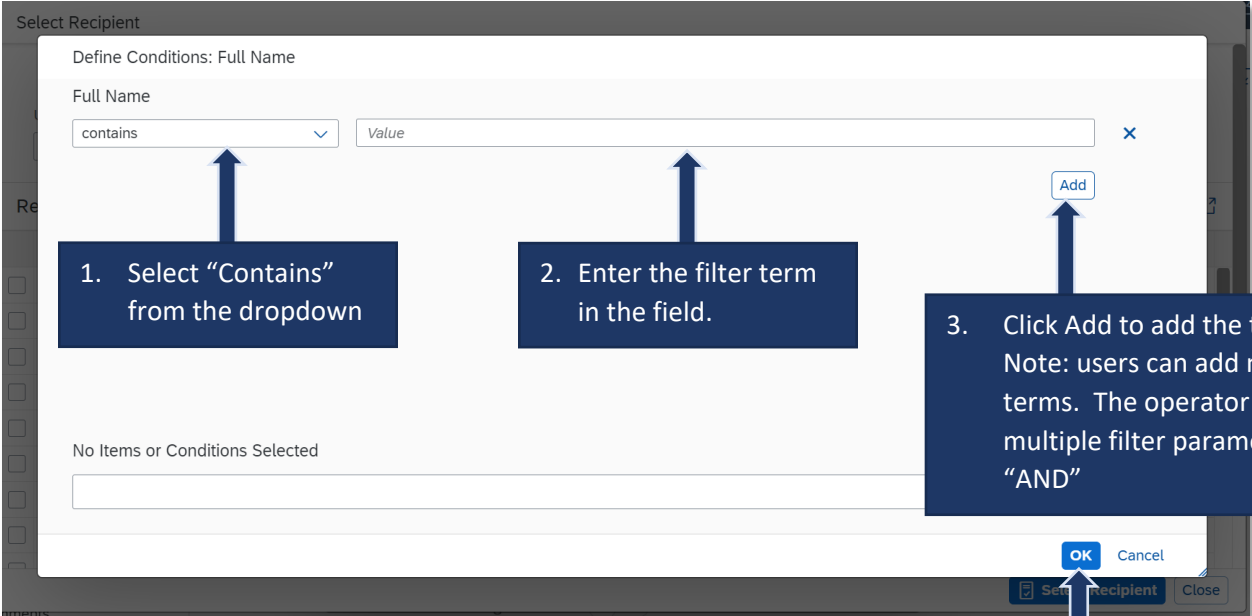

5 **Previous Page/ Next Page:** Navigate through each UTRAC section by going to the next/previous page using the arrows.

6 **UTRAC Profile:** Summary information for this UTRAC including Fund & Grant Periods, Sponsor, Program, Location, and more.

## Advanced Filter

With the exception of **Search** on the Filter Header, all filter fields in UTRAC are case sensitive by default. Users will need to enter the exact value to find a match. For example, if a user wants to find results using the term “University of Toronto”, they will need to type the string in full, including the correct capitalization.

To filter on a term using part of the term and without capitalization, users should access the advanced filter by clicking the  (double box) in the filter field and use the “Contains” operator on their term.

1. Select “Contains” from the dropdown
2. Enter the filter term in the field.
3. Click Add to add the term. Note: users can add multiple terms. The operator between multiple filter parameters is “AND”
4. Click OK then Go to filter and view results.

## Header

Every page in UTRAC has the Header containing the key information labeled below.

- **UTRAC No.:** Unique identifier assigned on creation of UTRAC.
- **Version Date:** Date for which this version was created.

## Contact Forms

Users can contact the primary Researcher, VPRI Research Officer, and/or VPRI Research Accountant directly within UTRAC using the built-in contact forms.

1. To access the forms and contact a specific role, you can click on any of the highlighted sections in the image below.

The screenshot displays the 'UTRAC Award Details' interface for award 72066209. The 'Application Information' section shows the researcher as Dr. Agnus Day, Department: DEPT OF PHYSIOLOGY(173). The 'Research Award Details' section shows the award is funded, with a fund number of 000000 and a grant period from April 1, 2023, to March 31, 2025. The research officer is Olu Enia, and the research accountant is Day Ye. A 'Contact me' button is visible in the top right corner of the application information section.

2. A box with the contact details (phone number, email, department) will appear. Click the "Contact me" button in the right corner.

The screenshot shows the same UTRAC Award Details page as above, but with a 'Contact Details' modal window open for the research officer, Olu Enia. The modal displays the following information: Phone: N/A, Email: BLUEEPRMUOF@GMAIL.COM, and Department: NIA(00000000). A 'Contact me' button is highlighted in red in the bottom right corner of the modal.

3. A contact form will appear with certain details pre-filled. Fill out the form and click Send.

# How to Read a UTRAC

The following sections outline the content on each page that can be accessed from the left navigation menu.

## Research Award Details Page

This page contains general information about the research award, such as Application information, Grant and Fund Period, Funds Center and Cost Center information, and Version history.

The screenshot displays the 'UTRAC Award Details' page for award 72068209. The page is divided into several sections, each highlighted with a numbered callout:

- 1 Application Information:** Shows application details such as 'test', 'Application: 000000', 'Researcher: Dr Agnus Day', and 'Department: DEPT OF PHYSIOLOGY(173)'. It also includes checkboxes for 'Is this a Master Agreement?' and 'Amendment Under Negotiation?'.
- 2 Other:** A section for additional information.
- 3 General Details:** Displays 'Award Type: Funded', 'Fund No: 000000', and 'Fund Period: Apr 1, 2023 To Mar 31, 2025'. It also lists 'Lead PI Funds Center: 000000' and 'Fiscal Year: Apr-Mar(Y4)'.
- 4 Other:** Shows 'Research Accountant: Olu Enla', 'Research Officer: Day Ye', 'Cost Centre: MED:Physiology:Research 000000', and 'Internal Order:'.
- 5 Funds Center:** A table showing 'Funds Center Details' with columns for 'Funds Center', 'Parent Funds Center', and 'Lead PI'. The entry shows '000000' as the Funds Center, 'MED:Physio Res(105984)' as the Parent Funds Center, and 'Yes' as the Lead PI.
- 6 Versions:** A table titled 'Available versions for Research Award' with columns for 'Version', 'Created Date', 'Active Version', 'Published', 'Published Date', and 'Revision / Published Notes'. It lists version '1 Original' created on 'July 19, 2023', which is both active and published on 'September 14, 2023'.

### 1 Application Information

- **Application:** The title of the research project and the Application Number assigned on entry into RIS.
- **Researcher:** The name of the U of T employee who is the primary Researcher on the application.
- **Department:** The Administering Unit for the fund, as indicated by the Researcher in MRA.

### 2 Other

- **Master Agreement:** In cases where a Sponsor is providing funding for multiple projects under a master agreement, “Yes” indicates whether this UTRAC reflects the master agreement.
- **Amendment Under Negotiation:** Flag indicating whether a project extension is in progress. “Yes” indicates that an award is undergoing an amendment process and that the fund end date *may* be extended.

### 3 General Details

- **Award Type:** Indicates whether the UTRAC is for a Funded or Non-Funded Award.
- **Fund No:** FIS number assigned on creation of UTRAC. Budget will be set up and revenue/expenses will be posted to the Fund No. in combination with the PI Funds Center(s).
- **Fund Period:** Award start and end dates, plus any grace period allowed by Sponsor. Includes the entire history of the award -- the original award plus any renewals.
- **Grant Period:** Award start and end dates, usually defined by Sponsor. Refers to only the award period of that application, i.e., ignores originals or renewals, or any grace period.
- **Lead PI Funds Center:** Funds Center corresponding to the primary researcher. This is where budget will be set up and revenue/expenses posted in combination with the Fund No.
- **Fiscal Year:** Sponsor's grant year, e.g. CIHR's grant year is April – March.

### 4 Other

- **Research Accountant:** Name of assigned VPRI Research Accountant
- **Research Officer:** Name of the VPRI Research Officer who authorized the release of the UTRAC.
- **Cost Centre:** Cost center for the organizational unit or program that administers this fund.
- **Internal Order:** Controlling code representing a holding place / cost collector account number. This field is optional and left blank until requested to fill by the departmental Business Officer.
- **Minuet Number:** Identifier number of the corresponding record in the Minuet database. Minuet is an internal database used by the Innovations & Partnerships Office (IPO) at VPRI for tracking funded and non-funded awards, licensing disclosures, etc.

## 5 Funds Center table

This table will list all Funds Centers and their associated information for Researchers who will have budget on this fund in combination with their PI Funds Center.

For example, if the budget is split between the lead Researcher (i.e. Principal Investigator – PI) for the award and two Co-Investigators (Co-Is), the Funds Center information will be listed in this table for the PI and two Co-Is.

- **Funds Center:** Funds Center corresponding to the PI or Co-I.
- **Cost Center:** See #4 above.
- **Internal Order:** See #4 above.
- **Parent Funds Center:** Departmental funds center hierarchy to which the PI Funds Center belongs.
- **Lead PI:** Designates the lead Researcher (i.e. PI) for cases where there are multiple Co-Is. Only one Researcher can be designated as the Lead PI.
- **No Post:** Indicates whether there is a No Posting status applied to the Fund/Funds Center combination. See [No Post section](#) for more details.

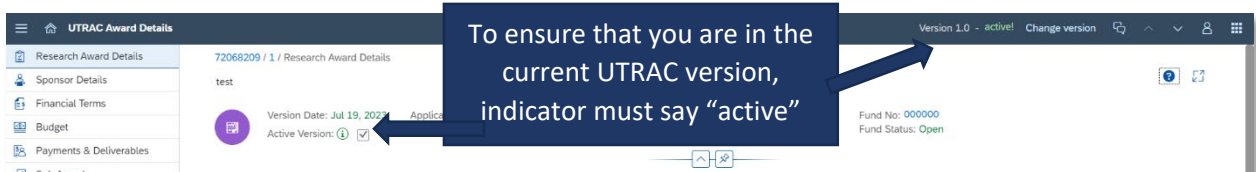

## 6 Versions

This table shows all UTRAC versions created to date, including the following identifying information:

- **Version Number:** Version number for UTRAC; e.g. 1, 2, 3, etc.
- **Created Date:** Date on which the version was created.
- **Active Version:** This field will indicate Yes for the most recent version.
- **Published:** If Yes, this version is published and available to view by the Researcher and Administering Department/Division. If No, this version is a draft and is not published by the Research Officer and cannot be viewed by the Researcher or Administering Department/Division.
- **Published Date:** Date on which the version was published.
- **Revision/Published Notes:** Notes explaining the changes made to UTRAC in that version.

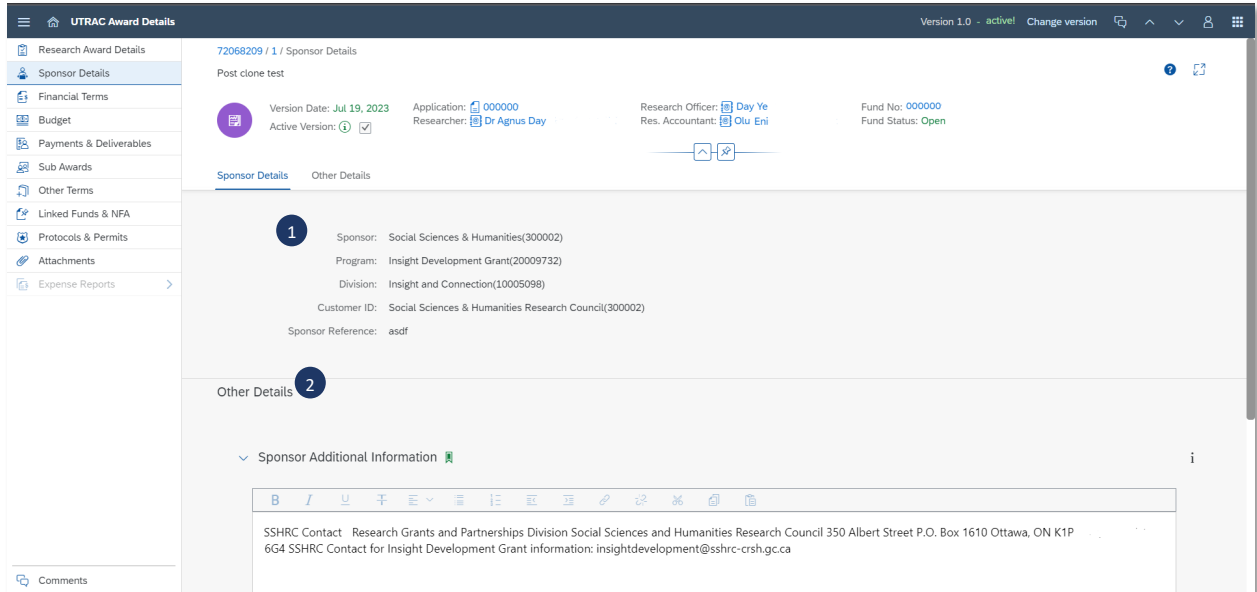

To view a previous version of the UTRAC, click on the row corresponding to that version. This will display the content of the previous UTRAC version.

**Note:** Previous UTRAC versions will contain out-of-date information and should only be used for comparison purposes. To ensure that you are in the current, active version, make sure that the status indicator in the header says “**Active**”.

## Sponsor Details

This page contains information about the Sponsor providing the funding for the research award, including the Sponsor, Division, and Program names, Sponsor Reference number, and other information such as Sponsor contact details.

### 1 Sponsor Details

- **Sponsor:** The name of the agency, organization, or company that is funding the research.
- **Program:** The program under which the agency, organization, or company will fund the research.
- **Division:** The sponsor division under which the program resides.
- **Customer ID:** FIS code and description corresponding to the Sponsor ID.
- **Sponsor Reference:** Number assigned by the Sponsor for the application/award. This number is generally cited in the Sponsor's letter of award or funding agreement.

### 2 Other Details

- **Sponsor Additional Information:** Text field displaying additional sponsor information, such as contact details, if applicable.

## Financial Terms

This page contains financial terms and conditions governing the research award, as indicated in the funding agreement or letter of award. This includes the award amount approved by the Sponsor and any holdback (if applicable), carryforward rules, overhead (indirect costs) rules, and other financial terms.

The screenshot displays the 'UTRAC Award Details' interface for award 72068209 / 1. The left sidebar lists various sections: Research Award Details, Sponsor Details, Financial Terms (highlighted), Budget, Payments & Deliverables, Sub Awards, Other Terms, Linked Funds & NFA, Protocols & Permits, Attachments, and Expense Reports. The main content area is titled '72068209 / 1 / Financial Terms' and includes a 'Post clone test' button. It features a header with metadata: Version Date: Jul 19, 2023, Application: 000000, Researcher: Dr. Agnus Day, Research Officer: Day Ye, Res. Accountant: Olu Eni, Fund No: 000000, and Fund Status: Open. Below this, there are three tabs: General Information, Overhead, and Other Details. The 'General Information' tab is active and contains five numbered sections: 1. Payment (Sponsor Approved Amount: 100,000.00 CAD, In-Kind Contribution: 0.00 CAD), 2. Holdback (Percentage: 0.00, Amount: 0.00 CAD), 3. Carryforward (Rule: 100%(A)), 4. Overhead (Overhead Distribution Calculation Rule: Automated, Manual, None), and 5. Other Details. The 'Other Details' section is expanded to show a list of sub-sections: Carry Forward Details, Budget Transfer Rule, Extension Rule, Eligible Expenses, Ineligible Expenses, and Overhead. A red box highlights the 'Carry Forward Details' link in the list. At the bottom left, there is a 'Comments' section.

### 1 Payment

- **Sponsor Approved Amount:** Total amount and currency expected from the Sponsor, as indicated on the Sponsor letter of award or agreement.
- **In-Kind Contribution:** Dollar value of in-kind matching that meets ALL of the following criteria:
  - Non-cash but has financial value;
  - Contribution from an external institution or industry partner;
  - Required by Sponsor to be included on the financial report.

## 2 Holdback

- **Percentage:** Percentage of the total award that will remain unpaid by the Sponsor until a condition or instance required by the Sponsor has occurred (e.g. completion of project milestone or final deliverable).
- **Amount:** Amount of the total award that will remain unpaid by the Sponsor until a condition or instance required by the Sponsor has occurred.

## 3 Carryforward

- Carryforward rule for unspent balance between budget periods set by the Sponsor. For example, will indicate if the Sponsor allows 100% carryforward of unspent balance between periods, no carryforward, or some other rule.

## 4 Overhead

- Indicates the rule as set by the Sponsor agreement/letter of award for calculating overhead (i.e. indirect costs) in relation to the direct costs budget.
- For example:
  - **Automated – Fixed Amount:** Shows the dollar amount for overhead calculation, including the total amount and calculated monthly amount.
  - **Automated – Percentage:** Shows the percentage rate (%) for overhead calculation as a function of direct costs, including which specific budget categories are counted as direct costs for overhead calculations and any exclusions, if applicable.
  - **Manual:** If the overhead rule is complex, there will be no calculation rule indicated here. Further information on how overhead is calculated will be included in the **Overhead** field under **Other Details** (see #5).
  - **None:** There is no overhead budget on this award.

## 5 Other Details

Fields containing text will have a green ribbon . Fields that are empty will not have a green ribbon. To view the contents of the field(s), click on the expand/collapse or the expand all button marked in red on the image above.

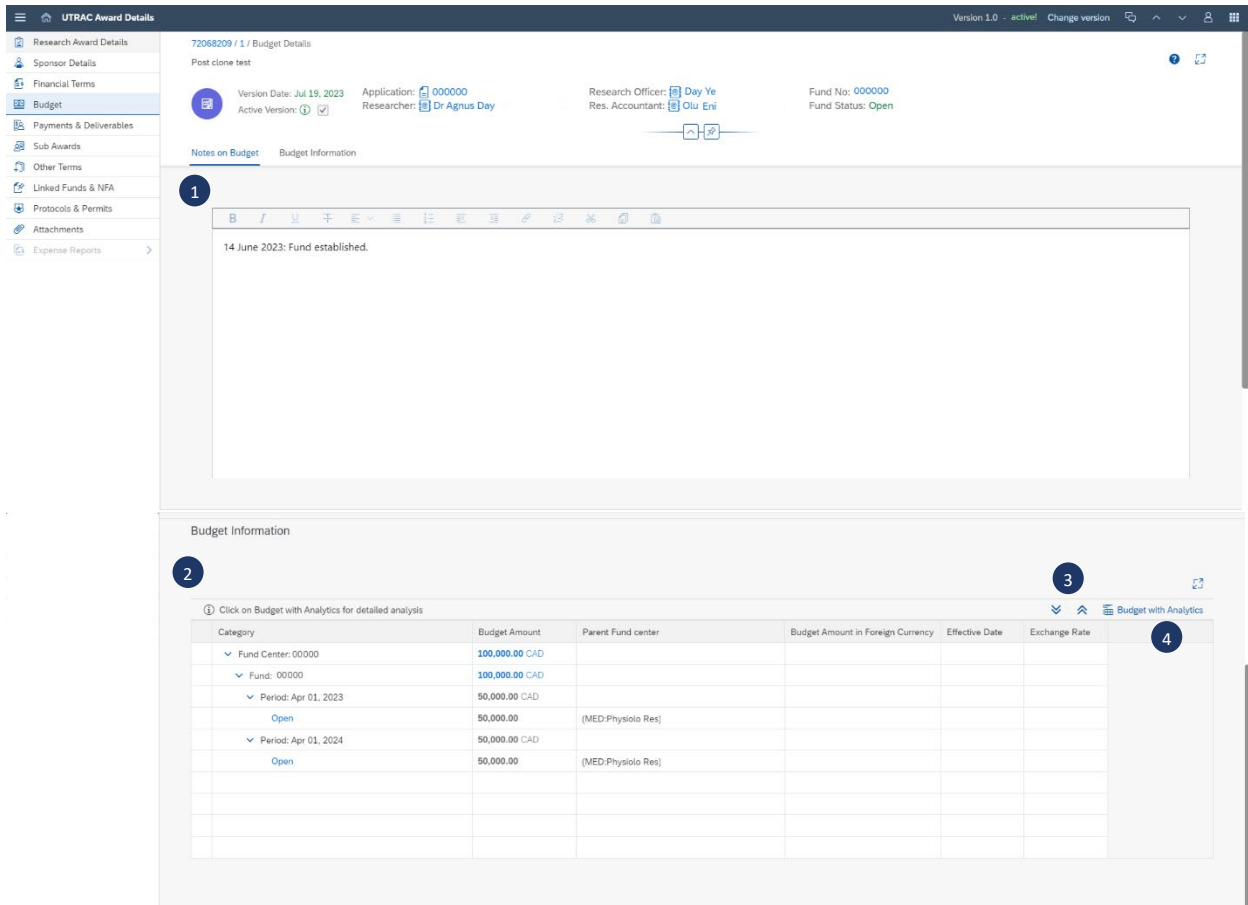

- **Carry Forward Details:** Additional information related to the carry forward rule for unspent balance between budget periods set by the Sponsor, if applicable.
- **Budget Transfer Rule:** Information related to any restrictions on transferring budget between budget categories and steps that need to be followed to make these changes, if applicable.
- **Extension Rule:** Information related to the procedure for requesting a project extension from the Sponsor and deadline for submission of the request, if applicable
- **Eligible Expenses:** Information related to eligible expense categories according to the agreement and/or Sponsor rules, if applicable.
- **Ineligible Expenses:** Information related to any expense types that are ineligible according to the agreement and/or Sponsor rules, if applicable.

- **Overhead:** Additional overhead details (in addition to the Overhead calculation rules, if any) set by the Sponsor, if applicable.

You can also view the “Other Details” section in full screen mode by clicking the  button.

## Budget

This page contains information about the budget that has been set up for this research award, including a breakdown of the budget by major budget category, and explanatory notes related to the award budget and any changes over the lifetime of the award. This page also allows you to download the budget into a Microsoft Excel file for analysis.

The screenshot displays the 'Budget' section of the UTRAC Award Details page. The header includes the award ID '72068209 / 1 / Budget Details' and various metadata such as 'Version Date: Jul 19, 2023', 'Application: 000000', 'Researcher: Dr Agnus Day', 'Research Officer: Day Ye', 'Res. Accountant: Olu Eni', 'Fund No: 000000', and 'Fund Status: Open'. The 'Notes on Budget' section contains a text area with the note '14 June 2023: Fund established.' The 'Budget Information' table provides a breakdown of the budget by category and period.

Category	Budget Amount	Parent Fund center	Budget Amount in Foreign Currency	Effective Date	Exchange Rate
▼ Fund Center: 00000	100,000.00 CAD				
▼ Fund: 00000	100,000.00 CAD				
▼ Period: Apr 01, 2023	50,000.00 CAD				
Open	50,000.00	(MED:Physiolo Res)			
▼ Period: Apr 01, 2024	50,000.00 CAD				
Open	50,000.00	(MED:Physiolo Res)			

- Notes on Budget:** Information related to the award budget, such as details on incrementally funded awards (e.g. budget releases for each period are subject to separate approval from the Sponsor), special foreign currency notes, and any adjustments to the budget over the lifetime of the award.

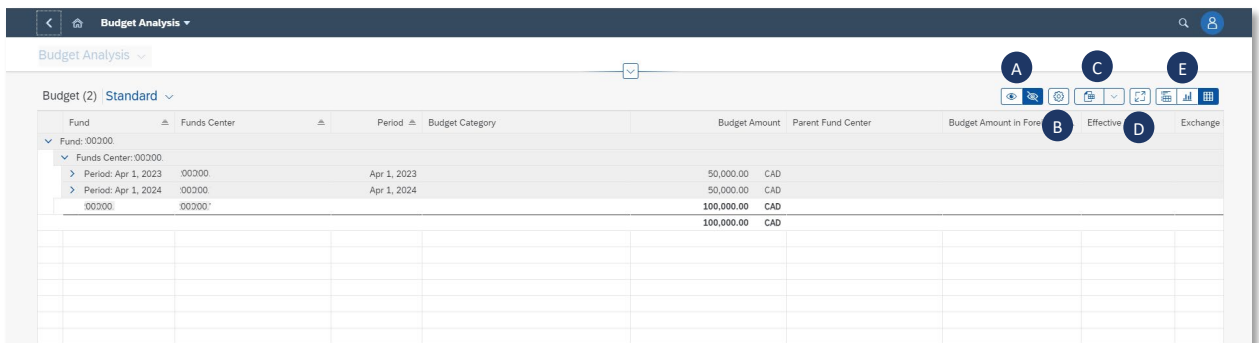

## 2 Budget Information

- Table that displays the spending limits approved by the Sponsor for the various categories of expenditures and at the various times when the amounts become available. When co-investigators have direct access to portions of the budget, this is broken down further by PI Funds Center. To expand periods and view the commitment items, click the > button.
- For budgets from international Sponsors set up in foreign currency, in addition to the Canadian dollar amount the table will list the budget amount in the original foreign currency, the effective date of the exchange rate used, and the exchange rate for conversion.

## 3 Expand all / Collapse all

- **Expand all button**  : Expand Funds Center (s) and Period(s) listed in budget table to show detailed budget categories.
- **Collapse all button**  : Collapse Funds Center(s) and Period(s) listed in budget table to hide detailed budget categories.

## 4 Budget with Analytics

### 1 Payment Details (Approved)

- **Sponsor Approved Amount:** Total award amount expected from the Sponsor, as indicated on the Sponsor agreement or letter of award (in payment currency).
- **Holdback Percentage:** The percentage of the Sponsor Approved Amount that will remain unpaid by the Sponsor until a condition(s) or deliverable(s) required by the Sponsor has been met, if applicable.
- **Holdback Amount:** Holdback amount (in payment currency) equivalent to the Holdback Percentage.
- **Difference:** Difference between Sponsor Approved Amount and Holdback Amount (in payment currency)

### 2 Payment Details (Expected)

- **Total Expected Amount:** Total sum of the expected amount in the payment schedule.
- **Expected Holdback:** Total sum of expected holdback amount in the payment schedule.
- **Difference:** Difference between Total Expected Amount and Expected Holdback (in original currency)

### 3 Payment Method

- **Activity Type:** Defines how payment will be made to U of T by the Sponsor.
  - i. **Fixed Instalments:** Sponsor has pre-defined payment schedule and instalment amounts.
  - ii. **Fixed Instalments with Deliverable(s):** Sponsor has pre-defined payment schedule and instalment amounts and requires submission of document(s) and/or completion of task(s).
  - iii. **Invoiced-Fixed:** Sponsor has pre-defined payment schedule and instalment amounts, and payment will be prompted by the submission of an invoice by VPRI Research Financial Reporting and Audit office.
  - iv. **Invoiced-Fixed, with Deliverable(s):** Sponsor has pre-defined payment schedule and instalment amounts, and payment will be prompted by the submission of an invoice by VPRI Research Financial Reporting and Audit office and requires submission of document(s) and/or completion of task(s).
  - v. **Invoiced- Cost Recovery:** Sponsor's payment will be prompted by the submission of an invoice by VPRI Research Financial Reporting and Audit office on a defined schedule, and the invoice amount will be based on actual expenses incurred during a defined period.
  - vi. **Invoiced- Cost Recovery with Deliverable(s):** Sponsor's payment will be prompted by the submission of an invoice by VPRI Research Financial Reporting and Audit office on a defined schedule, and the invoice amount will be based on actual expenses incurred during a defined period and requires submission of document(s) and/or completion of task(s).
  - vii. **Deliverables Only:** Sponsor's payment will be prompted only by submission of document(s) and/or completion a task(s).
- **Frequency:**
  - i. **Monthly:** Payments are expected every month
  - ii. **Quarterly:** Payments are expected four times a year, every 3 months.
  - iii. **Bi-Annual:** Payments are expected twice a year, every 6 months.

- iv. **Annual:** Payments are expected once a year, every 12 months.
- v. **Irregular:** Payment due dates do not have a regular interval as per the four selections above.
- vi. **Off-cycle:** There are payment due dates in between the regular payment schedule.

**Payment Method Schedule – expanded view:**

**Note:** The example provided below is for the payment Activity Type **Invoice Fixed**. The columns and fields displayed in the Payment Method Schedule will vary depending on the payment Activity Type; for example, Fixed Instalments will have an Expected Amount and Due Date, but no Scope Start and Scope End.

- **Payment Type:** Classification of payment activity and includes the following types:
  - i. **Interim:** Interval payments to be made by the Sponsor.
  - ii. **Final:** The last payment to be made by the Sponsor.
  - iii. **Final/Holdback:** The last payment to be made by the Sponsor and represents the amount held back.
  - iv. **Off Cycle:** Payment to be made by the Sponsor between a regular interval.
- **Expected Amount:** Amount to appear on invoice (in currency as on agreement), if applicable.
- **Due Date:** Date on which the invoice is due to the Sponsor (submitted by the VPRI Research Financial Reporting and Audit office) or on which the fixed payment is due to U of T.
- **Scope Start:** First day in date range for incurring expenses covered by the invoice, if applicable.

- **Scope End:** Last day in date range for incurring expenses covered by the invoice, if applicable.
- **Notification:**
  - Notifications are ON: Assigned users will be sent a notification via email for the selected payment(s).  
To find which users were assigned to be notified, look under the “Assign Notification Roles”. To find when the assigned users will be notified, look under “Notifications before Due Date”.

## Sub Awards

This page provides information related to outgoing sub-awards; i.e. funding from a U of T-administered research award flowing out to another institution/organization under an inter-institutional agreement. It will allow you to view information about each Sub-awardee Institution, including sub-award amount, period, Co-Investigator, etc. It will also allow you to access sub-award related documents, such as inter-institutional agreements and associated amendments.

The screenshot displays the 'UTRAC Award Details' interface. The top navigation bar shows 'Version 2.0 - active!' and 'Change version'. The left sidebar lists various award details sections, with 'Sub Awards' selected. The main content area is divided into 'General Information' and 'Sub-Awards Details'. Under 'General Information', there are fields for 'Version Date: Nov 20, 2023', 'Application: 231629', 'Researcher: Prof Vince', 'Research Officer: Safa', 'Res. Accountant: Vanessa', 'Fund No: 518031', and 'Fund Status: Open'. The 'Sub-Awards Details' section shows 'Amount Details' with 'Approved' information: 'Sponsor Approved Amount: 300,000.00(CAD)', 'Holdback Percentage: 10.00', 'Holdback Amount: 30,000.00(CAD)', and 'Difference: 270,000(CAD)'. Below this is a table for 'Award Details' with columns for 'Vendor/Sub-Awardee Institution', 'Researcher', 'Default', and 'Payments & Deliverables / Documents'. The table contains one row for 'Baycrest Centre(114381)' with 'Rob Bob' as the researcher. The 'Payments & Deliverables / Documents' column has buttons for 'Display Schedule', 'Display Address', and 'View Attached IIA Docs'. Below the table, there are fields for 'Hold Item', 'Sub-Award Type' (set to 'Original'), 'IIA Details' (Amount: 10,000.00, Currency: CAD, Holdback %: 0.000), 'Commitment Item' (EQUIP-S0), and 'Period From' (May 1, 2023) to 'Period To' (Apr 30, 2026). Eight numbered callouts (1-8) are placed over the screenshot to highlight specific fields: 1 points to the Vendor/Sub-Awardee Institution, 2 to the Researcher, 3 to the Display Schedule button, 4 to the Hold Item field, 5 to the Sub-Award Type dropdown, 6 to the Holdback % field, 7 to the Commitment Item field, and 8 to the Period To field.

- 1 **Vendor/Sub-Awardee Institution:** The organization or institution that will be receiving the funding from U of T.
- 2 **Researcher:** Name of the Co-Investigator (Co-I) at the Sub-Awardee Institution.
- 3 **Payments & Deliverables / Documents:**
  - o **Display Schedule:** Payments & Deliverables schedule. For more information on how to read the schedule, see the [Payments & Deliverables section](#) (**Note:** For outgoing sub-awards, Payment Method indicates how U of T will be paying the Sub-Awardee Institution. Deliverables indicates which deliverables the Sub-Awardee Institution must send to U of T).
  - o **Display Address:** Sub-awardee contact information.

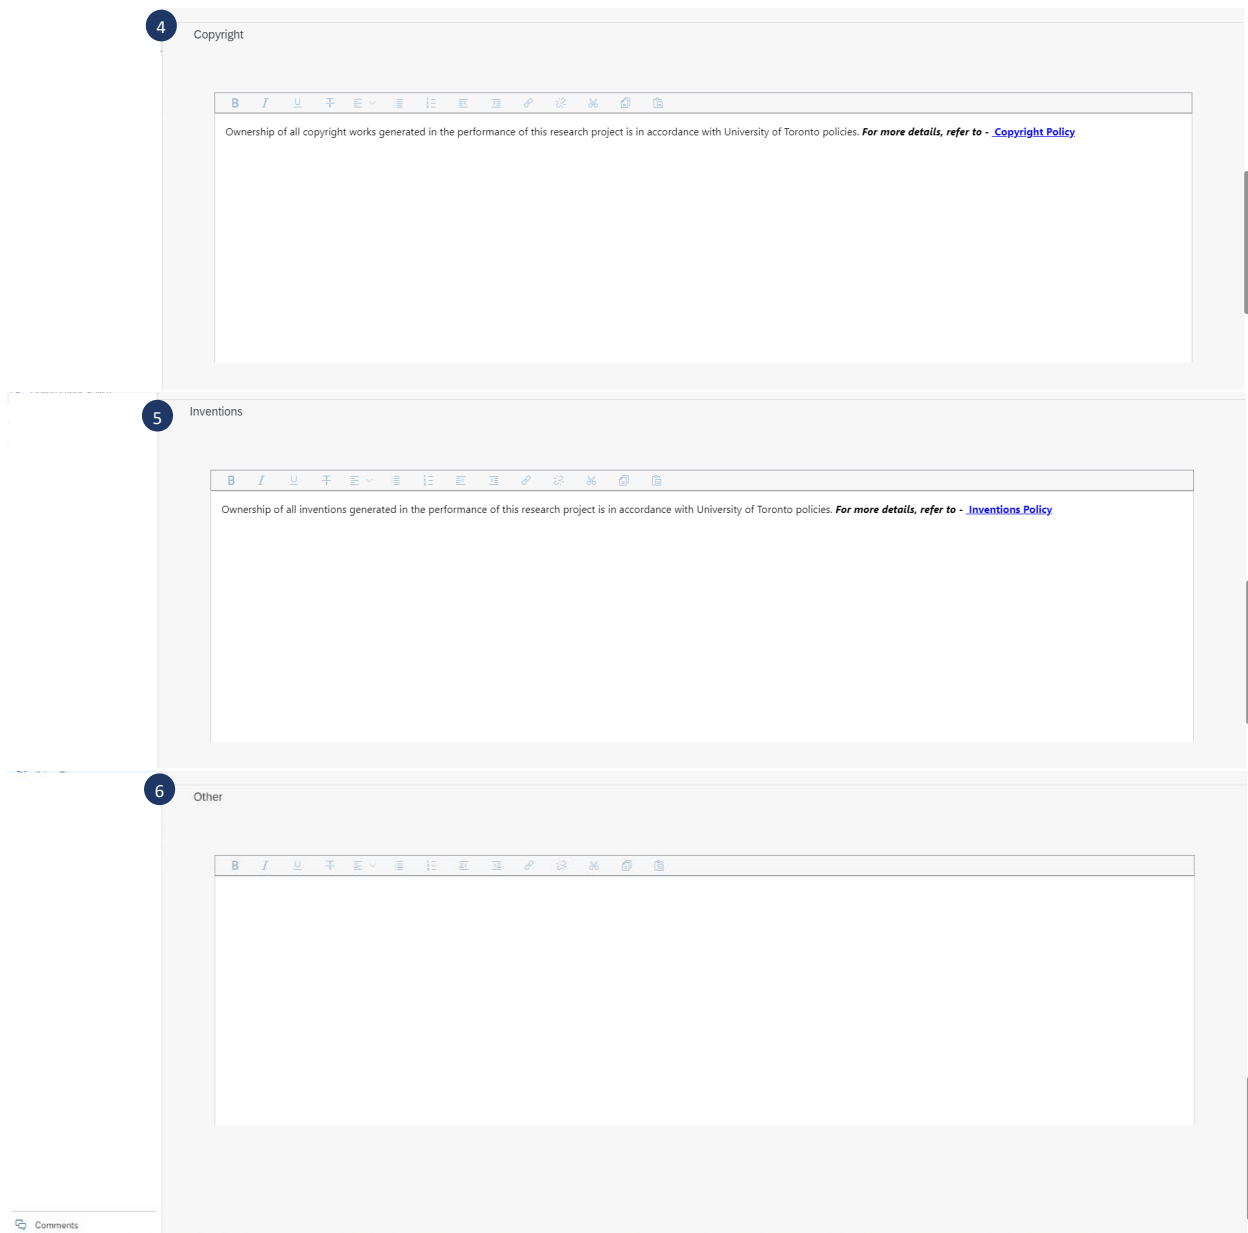

- **View Attached IIA Docs:** View/download the inter-institutional agreement/sub-award agreement.
- 4 **Hold Item**
  - If box is unchecked: No holds exists, and sub-award payments will be released to Sub-Awardee Institution according to the schedule.
  - If box is checked: A hold is placed on further sub-award payments due to one or more reasons, e.g., by request from the Researcher.
- 5 **Sub-Award Type:**
  - **Original:** Initial inter-institutional agreement.
  - **Amendment:** Amending inter-institutional agreement and associated number.
- 6 **IIA Details**
  - **Amount:** Total amount of funding that will be transferred to the Sub-Awardee Organization under the inter-institutional agreement.
  - **Currency:** Currency for Sub-award amount.
  - **Holdback %:** Holdback percentage for Sub-award amount.
- 7 **Commitment Item:** The budget category grouping (e.g., subgrant1, subgrant2, etc.) in FIS under which the Sub-award budget is set up.
- 8 **Period From and To:** These dates correspond to the Sub-award term (start and end date).

**Note:** If a research award has multiple outgoing sub-awards (e.g. to McMaster University and Dalhousie University), each Sub-Award Institution and its associated details will be listed as a separate entry.

## Other Terms

This page contains non-financial related terms and conditions governing the award, as indicated in the funding agreement or letter of award. This includes terms related to intellectual property rights, equipment ownership, publications, etc.

The screenshot displays the 'UTRAC Award Details' interface. The top navigation bar includes 'UTRAC Award Details', 'Version 1.0 - active', and 'Change version'. The left sidebar lists various award details sections, with 'Other Terms' selected. The main content area shows the '72068209 / 1 / Other Terms' page. At the top, there is a 'test' label and a 'Version Date: Jul 19, 2023' indicator. Below this, key information is displayed: Application: 000000, Researcher: Dr Agnus Day, Research Officer: Day Ye, Res. Accountant: Olu Eni, Fund No: 000000, and Fund Status: Open. A horizontal menu below the header includes 'Intellectual Property', 'Equipment Ownership', 'Publications', 'Copyright', 'Inventions', and 'Other'. Three numbered callouts (1, 2, 3) point to the respective content areas for each tab. Tab 1 (Intellectual Property) contains the text: 'Ownership of all intellectual property generated in the performance of this research project is in accordance with University of Toronto policies. For more details, refer to - [Inventions Policy](#) - [Copyright Policy](#)'. Tab 2 (Equipment Ownership) contains the text: 'Ownership of equipment purchased with grant funds is in accordance with University of Toronto policies. For more details, refer to - [Guide to Financial Management - Capital Assets](#)'. Tab 3 (Publications) contains the text: 'Dissemination of research project results and publication rights are governed in accordance with University of Toronto policies. For more details, refer to: [Publication Policy](#)'.

- 1 Intellectual Property:** Specifies ownership and any rights that the Sponsor and/or U of T may have to intellectual property generated as a result of the research award.
- 2 Equipment Ownership:** Outlines which party (Sponsor and/or U of T) owns the equipment purchased using award funds and any residual rights or rules on disposal.
- 3 Publications:** Specifies arrangements regarding publications that must be followed, such as acknowledgement of sponsor's support, provision of copies to the sponsor for informational purposes, advance copies for review, etc.
- 4 Copyright:** Specifies ownership, any waivers of moral rights in favor of the Sponsor, or any other Sponsor and/or U of T rights.

- 5 **Inventions:** Specifies ownership and any rights the Sponsor and/or U of T may have to any invention as well as any special invention reporting requirements.
- 6 **Other:** Outlines any other relevant terms & conditions defined by the Sponsor or U of T.

## Linked Funds & NFA

This page shows any related UTRACs (funded agreements) or non-funded agreements (e.g. Data Transfer Agreements, Material Transfer Agreements, etc.) that have been linked to this UTRAC.

The screenshot shows the 'UTRAC Award Details' page for award 72068939 / 2 / Linked Funds & NFA. The page is divided into several sections:

- Header:** Version 2.0 - active | Change version | User profile icon.
- Left Sidebar:** Research Award Details, Sponsor Details, Financial Terms, Budget, Payments & Deliverables, Sub Awards, Other Terms, **Linked Funds & NFA** (selected), Protocols & Permits, Attachments, Expense Reports.
- Main Content Area:**
  - Metadata:** Version Date: Nov 20, 2023, Active Version: Yes, Application: 231629, Researcher: Prof Vince, Research Officer: I Safe, Res. Accountant: Vanessa I, Fund No: 518031, Fund Status: Open.
  - UTRACs:** Non-Funded Research Agreement.
  - Linked UTRAC's details (1):** A table with columns: UTRAC ID, Fund, Is Master?, Sponsor Ref., Sponsor.

### 1 Linked UTRAC's details

- **UTRAC ID:** Identifier of UTRAC linked by the Research Officer.
- **Sponsor:** The name of the agency, organization, or company that is funding the research.
- **Program:** The program under which the agency, organization, or company will fund the research.
- **Researcher:** Name of the primary researcher on the research project
- **Application:** The title of the research project and the Application Number assigned when the MRA is created by the Researcher.

- **Fund:** Unique fund identifier assigned in FIS.
- **Is Master?:**
  - **Yes:** UTRAC where the Sponsor is providing funding for multiple projects under this master agreement.
  - **No:** UTRAC that is not a master agreement.
- **Sponsor Reference:** Number assigned by the Sponsor for application/award.

**2 Non-Funded Research Agreement:**

- **Agreement No:** Non-funded research agreement number.
- **Expiry Date:** Date on which the non-funded research agreement expires.
- **Title:** Non-funded research agreement title.
- **Type:** Non-funded research agreement type (e.g., Material Transfer Agreement, Data Transfer Agreement).
- **Status:** Review or execution status of the non-funded agreement.
- **Effective Date:** Date on which the non-funded agreement took effect.

## Protocols & Permits

If the application (MRA) for this UTRAC has one or more animal use protocol(s), human research ethics protocol(s), or environmental health & safety permit(s) linked to it, information about those protocols/permits will appear on this page. Users can track the status and expiry date of the protocol(s) and/or permit(s). The page will also indicate if a protocol or permit has been applied for but has not yet been approved.

The screenshot shows the 'UTRAC Award Details' page for award 72068209 / 2 / Protocols & Permits. The page is divided into several sections: Research Award Details, Sponsor Details, Financial Terms, Budget, Payments & Deliverables, Sub Awards, Other Terms, Linked Funds & NFA, Protocols & Permits (highlighted), and Attachments. The main content area displays a table of protocols and permits. The table has columns for Protocol, Expiry, Status, and PI. The first row shows a protocol with ID 00000038, expiry date November 4, 2024, status 'Approved', and PI 'Agnus Day'. Below this, there are sections for 'Human Protocol' and 'Permits and Registration'. The 'Human Protocol' section shows a protocol with ID 00000038, expiry date May 4, 2024, status 'Approved', and PI 'Agnus Day'. The 'Permits and Registration' section shows a permit with ID 00000038, expiry date November 1, 2024, status 'Approved', and PI 'Agnus Day'. The title of the permit is 'Bio Permit - Level 2 - 173-M11-2'. There are also callouts 1-6 pointing to specific elements: 1. Animal Protocol tab, 2. Protocol ID, 3. Expiry date, 4. Status, 5. PI, 6. PI name.

Protocol	Expiry	Status	PI
00000038	November 4, 2024	Approved	Agnus Day

Protocol	Expiry	Status	PI
00000038	May 4, 2024	Approved	Agnus Day

Permit	Expiry	Status	PI
00000038	November 1, 2024	Approved	Agnus Day

- 1 **Type:** Category of protocol or permit (Animal, Human, or Health & Safety).
- 2 **Protocol:** RIS ID number assigned to the protocol or permit.
- 3 **Title:** The title of protocol or permit.
- 4 **Expiry:** Date on which the protocol will expire / has expired.
- 5 **Status:** The current status of the protocol or permit
- 6 **PI:** Name of the Principal Investigator on the protocol or permit.

To apply for or renew a protocol or permit, please contact the appropriate compliance unit (e.g. Animal Ethics & Compliance Unit, Environmental Health & Safety Office, etc.) using the VPRI [Contact Us](#) directory.

**Note:** You are not able to access the original protocol records directly from UTRAC. To view a human or animal protocols shown on this page, you must access to My Research Human Protocols (MRHP) or My Research Animal Protocols (MRAP), respectively, from the [My Research portal](#).

## Attachments

This page contains funding documents and supplementary materials that have been attached to this UTRAC. Attached documents can include research funding agreements, letters of award, amendments, master agreements, and other supporting documents. Attached documents are grouped by category.

- 1 **Document categories:**
  - **Agreements:** Documents that can include research agreements, notice of awards, and amendments.
  - **Supplementary:** Documents that can include progress reporting templates, Sponsor policies, etc.
  - **Master:** Master agreement-related documents.

- 2 **Document name:** Title of the document filename and extension.
- 3 **Uploaded Date:** Date on which document was uploaded and description entered by Research Officer.
- 4 **Document Type:** Subcategory of document; e.g. research agreement, notice of award, amendment, etc.
- 5 **Document date:** Date of the document entered by the Research Officer.
- 6 **Effective Date:** Date on which the agreement or amendment takes effect.
- 7 **End Date:** Date on which the agreement or amendment ends.
- 8 **Date Fully Executed:** Date on which the agreement or amendment was fully executed, if applicable.

To access a document, click on the document name (blue hyperlink). Depending on the type of document and your browser settings, clicking a document will either open it directly in your browser or download it to your computer, where you can open it using the software installed on your computer.

## Comments

The Comments page can be used to leave comments related to the UTRAC for other viewers to read.

**\*\*Important Note: Comments made on this page will be visible to ALL users who can access the UTRAC.**

- 1 Comment left by a user (e.g., Research Officer, Researcher, etc.), including the username and date stamp.
- 2 Search field can be used to filter through comments.

## Appendix A: Access to My Research Funds by Role

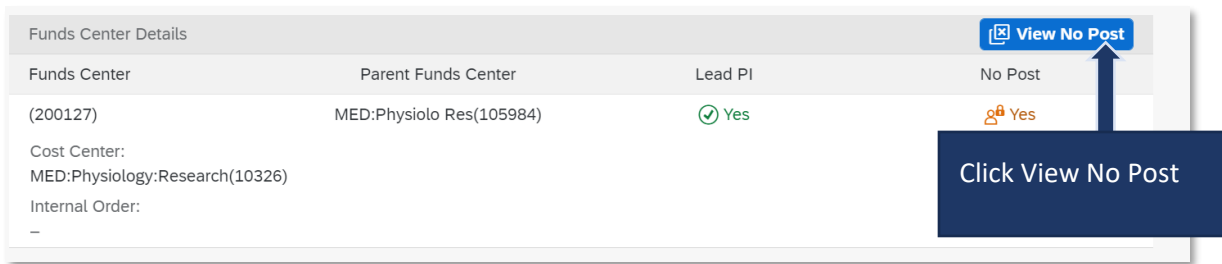

Role	How Access is Assigned	Comments
Principal Investigator (PI)	For U of T paid employees, all tenured, tenure stream, non-tenure stream, teaching faculty with the rank of Professor, Associate Professor and Assistant Professor and Librarians have automatic access to the system. Hospital-paid clinicians and status-only researchers with a Professoriate rank will be given access upon request. Professors Emeriti will be provided access with the approval of their Unit Head.	See <a href="#">PI Eligibility Guidelines</a> for instructions on how to request exceptional case PI eligibility.
Business Officer (BO) (For administrative staff who have access to FIS)	MRF access for business officers is included in the <b>RIS Business Officer Role in MRA</b> .	This role provides visibility to everything the PI sees on MRF, including access to attached documents.
Project Manager (PM) (For a researcher's U of T paid support staff who don't have access to FIS)	Submit the <a href="#">Access form</a> to request access.	This role provides visibility to everything the PI sees on MRF.
Unit Head (Chair/Director/Principal/Dean)	Assigned automatically based on appointments in U of T's human resources information system (HRIS).	It's important that these appointments are kept up to date by divisional officers in HRIS.
Unit Head (Chair/Director/Principal/Dean) Alternate Approver	Designated by Chair/Director/Principal/Dean within My Research Applications (MRA), or by the RAISE team upon request by the Unit Head via email at <a href="mailto:raise@utoronto.ca">raise@utoronto.ca</a> .	Must be a U of T faculty member.
Divisional Research Services Officer (DRSO)	Designated by Principal/Dean within My Research Applications (MRA), or by the RAISE team upon request by the Unit Head via email at <a href="mailto:raise@utoronto.ca">raise@utoronto.ca</a> .	Must be U of T administrative staff.

## Appendix B: No Posting

In cases where there is a compliance issue (e.g. expired Human Research Ethics protocol, Animal Use protocol, or Environmental Health & Safety permit), a No Posting status may be applied to the fund in combination with one or more funds center for the UTRAC. A No Posting status prevents expenditures from being charged to the fund until the compliance issue has been resolved.

If a No Posting status has been placed on your fund, please follow the instructions provided in the notification you will receive.

To view No Posting details, click the “View No Post” button on the Research Award Details screen in UTRAC.

The screenshot displays the 'Funds Center Details' section of the UTRAC Research Award Details screen. It features a table with the following data:

Funds Center	Parent Funds Center	Lead PI	No Post

**1 Funds Center List**

- **Funds Center:** Funds center number. Will list the Lead PI Funds Center and any additional Funds Centers for Co-Investigators if budget has been split on the award.
- **Parent Funds Center:** Departmental funds center number under which the Funds Center resides.
- **Lead PI:**
  - **Yes:** This is the lead Researcher on this research project

- **No:** This is a Co-Investigator on this research project
- **No Post:**
  - **Yes:** This funds center currently has a No Posting status applied in combination with the fund.
  - **No:** This funds center does not have a No Posting status applied.
- **Cost Center:** Departmental cost center number

## 2 No Post Conditions

- **Created By:** Name of the VPRI contact who placed the condition driving the No Posting status.
- **Created On:** Date on which the condition was applied.
- **Changed By:** Name of the VPRI contact who last edited the condition.
- **Changed On:** Date on which the VPRI contact last edited the condition.
- **Resolved:** Date on which the condition driving the No Posting status was resolved for the specified reason.
- **Protocol/Permit:** Type of protocol/permit to which the condition was related (Human protocol, Animal protocol, Ethics permit, or Other) and the protocol/permit number, if applicable.
- **Funds Center:** Funds center number on which the No Posting status was applied.
- **Reason:** Reason entered by the VPRI contact for why the condition was applied or resolved.

## 3 History

- **Created By:** Name of the VPRI contact who placed the condition driving the No Posting status.
