DiscoverResearch is a new online tool to **highlight, celebrate** and **promote** U of T experts across all disciplines.

**Showcase your research and expertise**

Tell your story in your way – highlight artistic performances, compositions, podcasts, videos, etc. And spark discovery, connection, and collaboration.

Unparalleled data integration

Automatic harvesting of trusted data from trusted sources – publications, grants, awards, etc. – from TSpace, PubMed, Web of Science, Scopus, RIS, and more. Patents coming soon!

Tags for media, students, industry, collaboration and more

Signal availability for media requests, graduate student supervision, industry and academic collaboration, etc. Identify other academics for collaboration opportunities. And visualize your collaboration network.
