

University of Toronto External Community Organization Approval Form

Name of Community Organization: _____

As the **Executive Director/Chair of the Board of Directors (or designate)**, my signature confirms that I am aware of the proposed **research** activity and that it has received appropriate review prior to submission. **Our organization** will follow guidelines and procedures which ensure compliance with all relevant University, provincial, national or international policies and regulations that govern research involving human subjects. My signature also reflects the willingness of the **organization** to **use and/or** administer the research funds, if there are any, in accordance with University, regulatory agency and sponsor agency policies.

Signature: _____ Date: _____

Name: _____
