Project summary

We will publish these summaries on our website along with the project title, the names and affiliations of the team leaders, administrative and collaborating institutions, and project keywords.

.....

CFI will publish the project title and summary, team leader(s), administrative and collaborating institutions and project keywords on their website to encourage institutions to collaborate or form multi-institutional initiatives where appropriate. You should provide enough information about the proposed research activities and requested infrastructure so potential collaborators can identify possible synergies.
